President, Sanitary Board,

Kolar Gold Field.

To

B.Ramaswamia, Esq., B.A., B.L.,

Secretary to the Government of His

Highness the Maharaja of Mysore, Revenue

Department, Bangalore.

Sir,

I have the honour to state that, the Head Clerk on Rs.25/- and the Deputy Clerk on Rs.20/- working under the Health Officer, Kolar Gold Field, are in receipt of a local allowance of Rs.2/- each as per Government order No.5500-2 L.B.27-06-5 dated the 6th December 1906. Owing to the costliness of living on the Field, a recommendation was made to Government to increase their local allowances to Rs.10/- each, so as to make it conform with the rates of allowances drawn by the Sanitary Board office establishment as per Government order No.7161-6 L.B.375-06-10 dated 1st March 1911. This recommendation was not sanctioned. (please vide Government order No.9639 L.B.305-10-2 dated 22nd May 1911).

2. It has been brought to the notice of the Board that house rents in Robertsonpet town, which is the head quarters of the Health office, are exhorbitant, the rents ranging from Rs.2 to Rs.3 for a single room, Rs.3 to Rs.5 for a set of two rooms, and Rs.6 to Rs.10 for such lodgings as are provided with separate kitchen and bath rooms.

3. It was proposed that a house-rent of Rs.8/- and Rs.5/- might be given to the Head Clerk and Deputy clerk respectively until separate quarters are constructed and given to them. The Sanitary Board have, at their meeting held on the 16th February 1917, resolved that the grant of house-rents, as proposed, may be recommended to Government for sanction. A copy of the Board's

4. I have the honour to request that you will be so good as to obtain early sanction of Government for the Board's proposal for the grant of rents at Rs.8/- and Rs.5/- to the two clerks referred to above.

Copy of letter No.575 dated 5th February 1917, from the Medical officer of Health, Kolar Gold Field, to the Vice President, Sanitary Board, Kolar Gold Field.

I have the honour to state that it has not been found possible to make a provision in the Budget for the past 3 years for Quarters for the officials of my office as the amount required for the buildings could not be alloted from the sum available for Original works. The Sanitary Board officials and menials have been provided with free quarters from last year as also the Epidemic Diseases Hospital staff. The members of superior service of the Sanitary Board have all been getting free quarters in addition to Local allowances and in some cases they are given house rent in lieu of free quarters. The Rent Collectors and Assistant Market Sergeants are each given a local allowance of Rs.5 per mensem, while the officials of my office have been paid a local allowance of Rs.2/

As I have stated before this, the house rent in Robertsonpet is exhorbitant, it being from Rs.2 to Rs.5 for a single room, Rs.3 to Rs.5 for a set of 2 rooms, and Rs.6 to Rs.10 for such lodgings where separate kitchens and bathing rooms could be obtained. The 2 clerks of my office have not been given the same privelege as regards either local allowance or free quarters as all the other members of superior service of the Sanitary Board and I request that you will be so good as to obtain the sanction of the Board to grant Head Clerk and Deputy clerk a houserent of Rs.8/- and Rs.5/- per mensem respectively till such time that quarters are built for them.
